The TuHS Football Quarterback Club, a 501(c) non-profit organization, is a parent-run support organization with the philosophy of teaching and raising our sons to become great young men by promoting excellence both on and off the field. Our football staff encourages success academically as well as athletically year-round and provides multi-sport athletes year-around activities to develop strength, conditioning and academics.

By choosing to be a corporate sponsor you are providing much needed funds to ensure our football program needs are met and all monies raised are applied to a variety of basics... such as equipment, team meals and sponsorships for those families in need (for football camps and team fees) and ensures all families in our community have the opportunity to participate without financial hardship.
